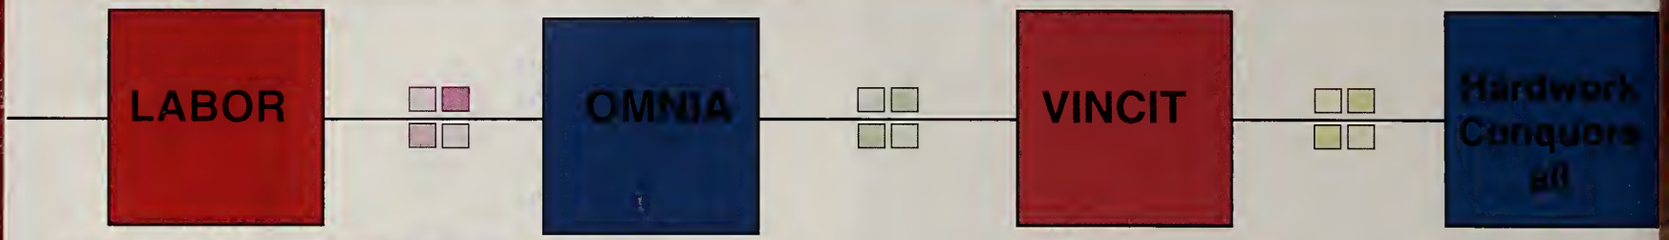
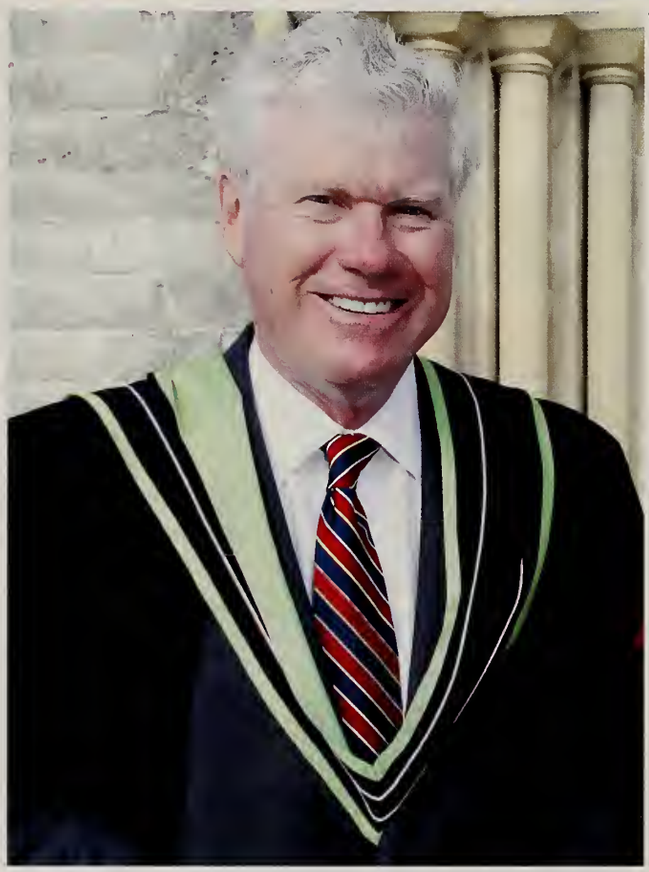
FROM THE HEADMASTER'S DESK....





Well, it was a truly sensational school year. Celebrating our 125th anniversary, the Saltus community did itself proud in so many positive and successful ways.

Beginning with student achievements, Saltus won more Gold Duke of Edinburgh Awards than ever. Recipients were graduating students Gianni Nesbeth, Michaela Ratteray and Zindziswa Swan, as well as SGY '12 student Michael Johnston. Also, sixty-one S10 students achieved the Bronze level, while another twenty students were awarded the Silver level.

The annual Teen Service Outstanding Teen Awards were dominated by Saltus. Five winners were announced including; overall winner, Head Girl, Latonia Fray; Academics, Ben Sayers; Visual Arts, Nahshon Hollis; Vocational/Technical Arts, Yanna Smith and Community Service, Torrae Wainwright. Thirteen other graduating students were nominated revealing the depth and talent of the school's graduating class.

Denton Hurdle Awards were won by, yet again, Head Girl, Latonia Fray and an Honourable Mention in Senior Boys Athletics to Head Boy, Mark Godfrey. The future seems bright for Saltus Athletics as S6 students, Jessie Marshall and Ryan Mullen were nominated, as were S9 students, Victoria Davis and Dylan Powell.

As usual, the Performing Arts department was very active, presenting a dynamic version of 'A Midsummer Night's Dream' and an award winning play 'After Juliet'. Four female saxophonists, Saltus' own, "Sassy Saxes", Shona Maule, Eva Frazzoni, Tashae Trott and Mira Hartwig travelled to Copenhagen to entertain various groups. Upon their return, these talented performers played to enthusiastic audiences at many school events.

"Service to others" is a key part of Saltus' mission. This year, in mid-March, a record number of participants, had their heads shaved to raise much needed funds for St. Baldrick's and P.A.L.S. $125,000 was raised with $18,000 of that total going to P.A.L.S.

One of the highlights of the year was Saltus winning 'top school' in the Healthy Schools Awards. This accomplishment came as a result of gold level awards in Health & Nutrition and Staff Health, due to the efforts of school nurse, Lindsay Manderson.

While the school's 125th anniversary celebrations will continue in September, a lasting memory from this school year will be the group photo at Cavendish and Woodlands spelling out '125 YEARS' and 'SALTUS'.

All in all, it was an exciting way to end my tenure as Saltus' ninth Headmaster. I am very grateful to the students, their parents, and the faculty, staff and trustees for their enthusiastic support. Best wishes to everyone, in particular, Claire Charlemagne, Saltus' first female Head Of School.
This memorable digest of school events would not be possible without the dedication of Yearbook Editor, Fiona Murdoch, who spends countless hours each and every year compiling highlights. Thanks are also due to Peter LePage for covering Upper Primary Department activities and Cynthia Barnes for her photography skills.

Welcome to Lower Primary.....

I wish to extend a very warm welcome to the Lower Primary Department of Saltus Grammar School at Cavendish.

The Lower Primary is one of three departments that comprise Saltus Grammar School. Most of our students come to us from our own Foundation Year and leave us to enter our Upper Primary Department. This continuity is of tremendous benefit as it gives the staff and students alike a strong sense of belonging to a large family unit. We are, however, very happy to welcome students from other schools and countries.

We believe Saltus provides its students with a well-rounded curriculum delivered by teachers who have a sincere commitment to encouraging the students to strive to achieve their potential.

The Lower Primary Years uphold principles based on an educational philosophy designed for young children and focus on those first entering the academic environment. These years offer a Foundation programme and the first two years of primary education (Saltus S1 and S2) for students between the ages of four and six.

The curriculum for the Foundation Year reflects internationally identified areas of Early Years Learning. Each learning area has Early Learning Goals. These set out the skills, understanding, knowledge and attitudes, which it is anticipated children will reach or exceed by the end of their Foundation Year.

The Early Years education is based on the following principles:

It builds on what our children already know and can do

It ensures that no child is disadvantaged

It offers a structure for learning that has a range of starting points, content that matches the needs of young children, and activity that provides opportunities for learning both indoors and outdoors

It provides a rich and stimulating environment

The curriculum for Saltus S1 and S2 consists of core academic subjects: Numeracy, Literacy, including Reading, Spelling, Verbal Skills and Writing. Music, Physical Education, Art, ICT, Citizenship, Science and Thematic Work supplement it. There is also an emphasis on learning through play. Extra learning support is provided in small groups by a Centre for Learning teacher dedicated to this section of the school. School work is individualised to cater to the differing needs of each student wherever possible and appropriate. Parental involvement is encouraged during the school day, both in and out of classrooms, and many parents assist the teaching staff, turning the educational ideal of cooperation between the home and school into a dynamic reality.

During the school year, students are encouraged to participate in as many events outside of school as possible. These include, but are not limited to, such things as colouring competitions and Island-wide sporting events. Also, students go on a variety of field trips and are made aware of those less fortunate than themselves. The latter is highlighted by encouraging student participation in activities to raise funds for various charities. An annual sports afternoon involves every child in a variety of events, including novelty and team races and those in which parents and younger siblings participate. Highlights of the year also include the Christmas concerts to which parents are invited, Easter egg-rolling, class assemblies and finally, at year's end, a 'Moving Up' Concert marking the children's final week in Lower Primary and their move to the Upper Primary Years.

We are fortunate to be supported by an energetic and enthusiastic parent body who are involved in all aspects of the life of our school. Together, parents and staff can make learning a positive experience for the students. We look forward to working with you in the growth and development of your child.

S6 PREFECTS AND MONITORS

HEAD BOY AND GIRL PRIZE DAY SPEECHES

I really can't believe that it has been a whole year since I came up here to collect my Head Girl's badge, a badge that I have worn with such pride this year. Soon I will have the honor of handing over to the new head girl.

It has really been an amazing year for us S6 students in Upper Primary but before I talk to you about some of the highlights from the first half of this year, I would like to celebrate the fact that this year is particularly special because we S6 graduates were Saltus's very first Foundation year students.

We've said goodbye to some friends who started in the Foundation Year with us and we've had new friends join us since, but there are still about 60 of us original, genuine foundation year guinea pigs left.....and didn't we turn out great?!? I hope we've made all the teachers involved in creating the Foundation Year Programme proud.

I remember one of the highlights of Foundation Year being 'bike day' - it was SO cool getting to bring our bikes to school and ride around the parking lot.... Now, 7 years later, the 3 and 4 year olds get to play on ipads and sophisticated technology like that! SOOOO lucky!

Now for this year's highlights...

We started off the school year in September welcoming our S3 friends .... it was fun holding up the 'Welcome to Upper Primary' sign on the first morning .... and seeing their excited faces as they got out of their cars!!!!!!!

he first Monday of the school year was great....we got a DAY OFF...due to Tropical Storm Leslie!! When the two Hurricanes, Rafael and Sandy, came along later in October....we unfortunately weren't so lucky ..... it was 'school as usual'.

In September, we also had our first Saltus KBB clean-up at John Smith's Bay. We went on to clean up this beach two more times during the year and to adopt John Smith's Bay as Saltus' KBB beach. This is one of many ways we helped the community this year. Another way was during "Making Hunger History Week" when we collected non-perishable food items to give to the less fortunate in the community.

There were a number of fun sporting events in the first term - in September we had the Interschool swim gala and Saltus came second overall.

In October was the Interschool Primary 6 aside Football - both our Saltus boys and girls got through to the finals and our Saltus girls won!

And in November, some Upper Primary students tried out for the Front Street Mile. The trials were held at the National Stadium and 7 of us got through to the finals which we ran in January. Luckily the weather was better this year for the finals, than the thunder and lightning we had last year!!

In November, the S4 students had an Eygyptian feast. They got to dress up as pharoahs and mummies and they drank green Nile Punch !!!!!!!

December is one of my favourite months - there are always so many fun things on at school and this year was no exception. We had the Carols for All concert right here in this beautiful church. The Junior Wind Band and S5/S6 Choir were involved in this, and did a great job.

The Christmas shopping fair is always SO exciting ... running into the hall, finding presents for our family members and making sure your little brother or sister isn't peeking .... getting the gifts wrapped, winning raffle prizes .... everyone loves the christmas fair!

I think my favourite event though was the Christmas play.... Of all the 7 christmas plays in my years in Upper Primary, the "Nutcracker" really was my favourite. Didn't you just love the cute mice, the pretty Arabians and the cool rapping plants....the costumes, the dancing and the singing were all amazing! But .... the teachers' version of the Nutcracker was even better .... particularly seeing the men dance ballet in their tutus!!! Mrs. Fox and Mrs. Dowdell did such an awesome job putting it all together!!

Our new year kicked off in January with a new years resolution for each of us to offer one random act of kindness to someone each day of the year.....So, for those of you who have forgotten all about this new year's resoltuion.... this is a reminder that you still have half of the calender year left...

We had a number of inter house sporting events in January including the inter house football competition which was won by Butterfield and the inter house cross country running races which was won by Saltus!

2013 is a VERY special year for Saltus - as we all know we have been celebrating our 125th anniversary. We've had so many special events this year .....and I'll now hand over to Adrian who will talk about the next half of the year. (Jessie Marshall)

As head Boy I feel very pleased to have been given the opportunity to address the school during this Prize Day Ceremony. Saltus opened its doors on February 6th 1888 and the month of February was a special and exciting for everyone at Saltus as we celebrated our 125th anniversary. A commemorative assembly was held with guest speaker Mrs. Christine DeSilva (a previous head teacher at the Junior School) and we had a fantastic slideshow by our very own Mr. Le Page. This was followed by a fun picture scavenger hunt and our participation in the whole school photograph. Upper Primary students together with the Senior students made the word 'Saltus' on our school field. Our day ended with an enthusiastic happy birthday song and cake….thank you parents.

The theme for the U.P. Department this year was 'Character' with our Winter term focusing on 'responsibility' Looking back over the past six months I think each and every student has done a great job in putting this into practice. Part of this responsibility included our New Year's Resolution, which was to offer one random act of kindness to someone each day of the year and as we move on to the Senior Department, let's not forget this resolution to each other and extend this to our lives outside of the Saltus Walls.

We also had inter-school sports in February. The cross country championships were held at the National Stadium with 33 students taking part; we won 3 out of 4 divisions. The under 9 boys and the over 9 boys and girls placed first with the under 9 girls missing a medal by only 2 points. Our field hockey teams also had amazing results, 33 of our students took part in the tournament and all 33 returned with medals. Our S6 girls placed first in the girls division and the S5 girls placed second. The boys won their divisions (A and B) so I think they all deserve a big shout out ……."GOOD JOB"

The Easter Break trip to Washington was a great experience for everyone involved, although a number of our students suffered with a tummy sickness. A year not to be forgotten by the teachers who accompanied the trip I would think, so extra thanks to you to Mrs. Doughty and not forgetting the huge amounts of Pepto Bismol.

March held our annual sports day at Upper Primary. Congratulations Darrell who were the overall winning team with the most house points for field and track events (Obviously all down to myself as I am in Darrell team!!) A great fun day for us all.

We participated again in the St. Baldricks fundraiser for Childhood Cancer Research; this is always a fundraiser that is close to our hearts. Forty Four students, two parents and two teachers bravely shaved their heads, along with two female students and a parent who cut their hair for "Locks of Love". We raised a total of $123,378.00 – Congratulations to everyone and a huge thank you to all of those who participated.

The AG show was great again for Saltus (not only do we get the day of to go and enjoy the exhibition) but forty three of our students received "Highly Commended" awards for their art work. We also received the most points in show for vegetables, and 2nd place for our 4 Square Foot Garden. (Thank you Miss Powell).

We celebrated Earth Day by having a Green Grub day. We had a very special assembly by Green Rock where we learnt how to take better care of our Earth and congratulations to Braeden Baumgartner and Liam Zuill on their Award Winning Video "Go Green for Lunch"Throughout the year students and parents have assisted in the KBB Island wide clean up. We have been at

John Smiths Bay where we have collected many bags of trash and recyclables, thank you to Miss. Powell who has organized this for us.
We had a very special "Grub Day" at Saltus in May, to raise money for two of our own teachers who are both on sick leave. Both Mrs. Lusher and Mr. Hall are obviously very special to us and we were able to raise $20,000 to help them with their continued health care. We think of them often and I know both students and teachers wish them strength and support and they are always in our prayers.
Our annual Ruth Henderson Memorial Concert was once again a great evening. Many families enjoyed the evening in the sun, listening to our choirs and bands. Thank you Mrs. Fox as always.
P6 students are ready to make our transition into the Middle School, thanks to our "Taster Day" were we were able to sample our future lessons and teachers, and most importantly, the tuck shop! We also had a great Outward Bound Adventure Day on Paget Island which was a lot of fun and I think we can all say we slept very well that night!
We were also given a great graduation disco (Thank you Mrs. Dunleavy for organizing this for us). We had a great time, the girls danced, the boys didn't (my Mum has told me that this will change in a few years, but I don't believe her!) It was a great evening and one that we will fondly remember.
I would also like to take this opportunity to say a fond farewell to our Headmaster Mr. Ted Staunton. I am sure that you will join me in wishing him all the best in the future and thank him for all the positives that he has instilled in Saltus. We would also like to give a warm welcome to our new Head, Mrs. Charlemagne.
As the year comes to an end I would like to say that I have felt very proud to have been Head Boy of Upper Primary whilst Saltus celebrated its 125th Anniversary. I was honored to have been included in the laying of a wreath on the grave of Samuel Saltus, and it is an experience I will remember with pride.
Thank you all very much for supporting me this year in my role as Head Boy, and I wish everyone a very happy and well deserved summer holiday! (Adrian Black)

Green Machine

Fall Upper Primary Eco Club students learned about composting, created environmental posters, made recycled bird feeders and helped to plant the gardens in the UP quad. In December they visited Westmeath and decorated Christmas trees with student-made recycled gingerbread ornaments.

In November Eugene Dean from Greenrock came to an Upper Primary Assembly to present the Healthy Schools Road Show. He spoke with students about how to reduce trash with his "Waste Not, Want Not" presentation.

Spring Upper Primary Eco Club students made recyclable critters for the AG show, posters to educate other students, and became "Compost COPS."

In January, Erika Powell's S4 class performed their assembly on taking responsibility for the earth. The class shared 23 easy ways students at Saltus can help. Many students already bring trash free lunches or use a recyclable water bottle, but other ideas included carpooling with friends, limiting the amount of paper they print, and composting fruit peels. 4E reminded everyone that, "when we all do a little to help the earth, we can make a really big difference."

In February the Year Four students piloted a square foot garden titled: "Spring & Summer Healthy Choices." The students took turns watering the garden and watching its progress. The garden contained carrots, cauliflower, tomatoes, beets, and onions as well as herbs. It was entered in the Agricultural Exhibition and won Second Prize. Saltus also won the Sir Edwin Leather trophy for the most points earned by a Primary school.

On February 2nd and May 11th the Saltus Green Team adopted John Smiths Bay and held two successful KBB cleanups with over 50 individuals including students, staff and their families attending each. Anne Hyde from Keep Bermuda Beautiful spoke about the environmental concerns that Bermuda faces with the growing amount of trash on land and in the ocean.

Secondary Teacher Jonathan Sykes took on the Greenrock Earth Day Video Challenge with his Geography students. Braeden Baumgartner & Liam Zuill created a video together as part of this challenge and submitted it to Greenrock.

Many students participated in Greenrock's Earth Hour Glow In The Dark Fun Walk/Run on March 23rd. As past chairperson of the Saltus Green Team, Jan Shaw accepted the Greenrock Green Workplace Award for our environmental efforts as a school.

On April 22nd, the Lower & Upper Primary students celebrated Earth Day by wearing green. Greenrock also presented a special Earth Day Assembly for Upper Primary students.

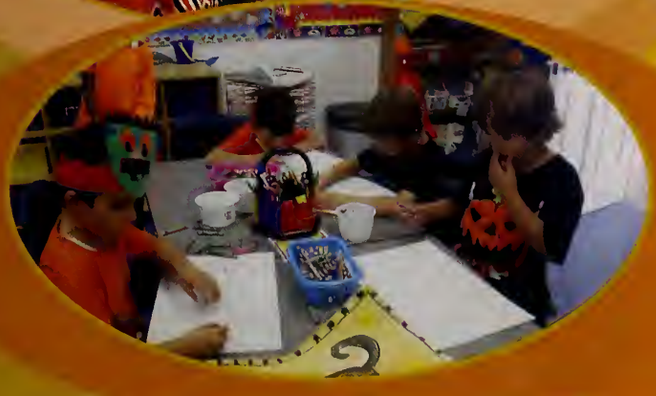
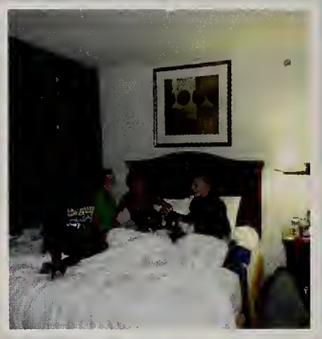
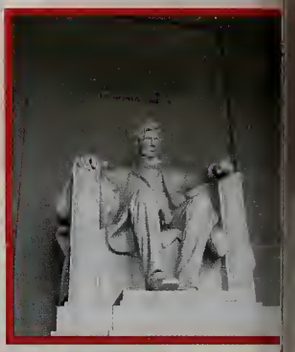
ORANGE DAY

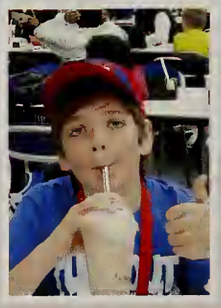


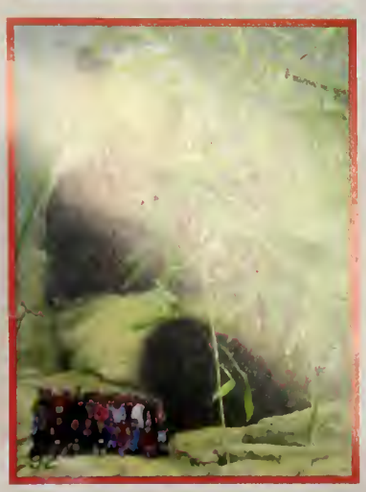
Music Report 2012-2013

It has been a busy year for the music department. The various ensembles and choirs have performed throughout the year. The Wind Band performed in the Upper Primary Assembly on Nov. 5, 2012. This performance was enjoyed by students and teachers. The 5&6 Choir were invited to perform on the steps of City Hall for the annual Tree Lighting Ceremony at City Hall on Friday November 23rd, 2011. The Wind Band and The Year 5&6 Choir participated in Carols for All on November 29th. The Saltus Association held a Silent Auction of Artwork in the Gosling building on Dec. 6th. The 5&6 choir and several soloists performed at this event. The year 3 and 4 choir performed at Gorham's on December 8th. After all of this activity, the entire Upper Primary presented "The Nutcracker" on December 10th, 11th and 12th. Many parents volunteered their time to help with costumes, set design and dance. Two senior students, Marcus Smith and Eryn Beach even came down to help teach students the dances.
In the second term, the Upper Primary had an Open Day and choirs, year 3&4 recorders, year 5&6 recorders and the orchestra performed in the assembly hall.
In February the Variety Night raised money for students to participate in the World Individual Public Speaking Competition in South Africa. The 5&6 Choir and various soloists performed at this event.
The Wind Band was kept busy in the spring with three performances. They performed in the Senior School Spring Concert on March 15th, on April 27th for the PTA 125th Family Event and for the Open Airways Asthma Awareness Day Event at City Hall on May 7th. The Three Department Concert on May 30th was once again a success. The Wind Band, Upper Primary Choirs and the Orchestra represented the Upper Primary Department and all performed very well. The year 5&6 Choir performed for the Rubber Duck Derby on June 2nd.
On June 3rd the Kerry Haslam, Menuhin violin teacher and senior school string coach and the Senior School String Ensembles came to perform for the Upper Primary. Students enjoyed hearing our talented senior students perform and were especially thrilled by Miss Haslam playing the viola. The year 6 class attended the Founder's Day service at St. John's Church on June 14th with the senior school and the new School Song "With All We Do" was performed for the first time with the Jazz Band accompanying the song.
The year 6's participated in a Talent Show this year on June 20th and delighted their peers with magic acts, singing, soccer skills, gymnastics, dance, epic fails and skits. They certainly did a great job entertaining the Upper Primary. They repeated the performance for their parents on June 25th and again should be congratulated on their entertaining performances. Upper Primary students sang "Thanks Mom" for the parent volunteers during the last week of school. The Junior Orchestra was kept busy until the last week as they did a great job playing for prize day. The year 6's performed the song "Hall of fame: by the script. The whole school did a great job singing the Miley Cyrus song, "the Climb." Many of our students have taken practical and music theory exams this year and obtained great marks. It has also been a pleasure to have many of our students performing in assembly. As usual it has been a busy year for the music department but definitely well worth the effort. With the continued support of the staff, parents and students a love for music will continue to flourish at the Upper Primary Department. - M. Fox



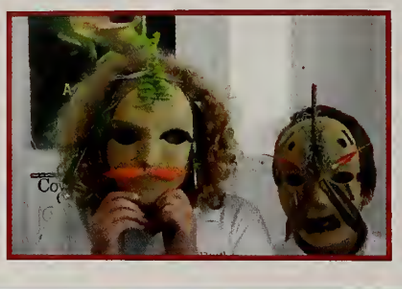


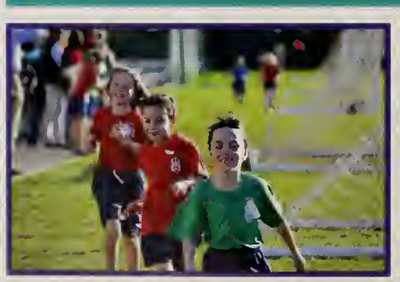


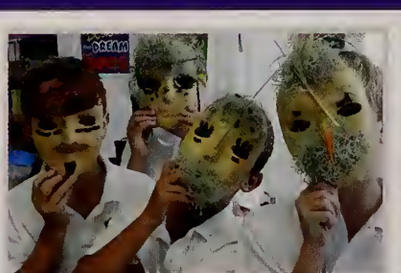


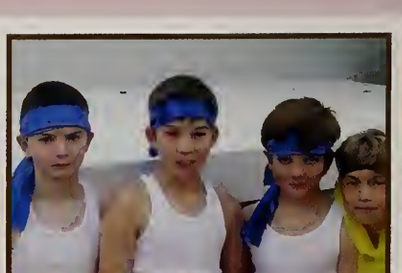
This year's Washington/Virginia trip for year 6 students took place just before Easter. A group of 40 intrepid students and 5 teachers set off for our usual 5 night stay in Washington D. C. and Williamsburg. As usual the students visited the many national monuments and Smithsonian museums that are to be found in the U.S. capital before heading south to the living museums at Williamsburg and Jamestown. With our own motor coach and guide we were in excellent hands and managed a hectic schedule. Unfortunately this year's trip was marred by a nasty tummy bug but the students were amazingly brave and determined to have a good time despite the illness. All the students were excellently behaved and received many compliments wherever they went – representing the school and even their country extremely well. - R. Doughty

MISCELLANEOUS

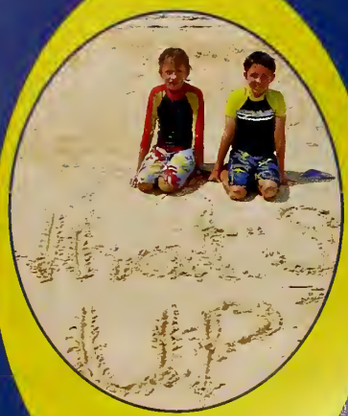








MISCELLANEOUS



CLEARWATER BEACH

SUN AND SEA

There are many who help the school throughout the year: and the Upper Primary Department would like to thank you all. Due to the sharing of digital images there are many contributors to the pictures you see in this section and I would like to thank them all for their expertise. A special thanks as always to Cynthia Barnes for her relentless pursuit of school archival material.
Peter Le Page
Editor of UP Yearbook (20 years and counting)

After 22 years, Sue Chlebek bids Saltus a fond farewell. She came from BHS to Saltus in 1991 when the School became co-ed, and at that time, there were only three girls in her class. As there were more male teachers in those days, it was not long before she assumed the role of Girls' Coordinator. It was her job to guide the girls as they merged into the new, less military styled Saltus. It was not always easy!
Sue has taught Years 4 – 7 at Saltus. She held a number of positions including Language Coordinator and S6 Coordinator. Teaching has been Sue's passion. She has always given her all to the students, and the school is grateful for the time she has spent here.
Sue now goes full circle as she returns to teaching S6 at BHS. She leaves with many fond memories and will certainly miss 'her boys.' However, it's only across the road and she knows that the strong friendships and relationships made at Saltus will continue. She has seen a huge, positive transformation from her first days until now. Sue wishes the School well as it makes history with the first female head, and is certain that it will continue from strength to strength.

Mrs. Edwards is leaving us after 9 years of dedicated service. She began teaching her own son's year level in Year 4 and 3 years ago moved up with her Year 4 class, into Year 5. During Tanisha's time at Saltus, she was involved in many extra-curricular activities that added to the school's climate. From teaching dance and fitness during after school clubs, to choreographing many of the dances for the Christmas Productions. While at Saltus, Tanisha's love for teaching was deepened by the love and laughs that emanated from her students and their eagerness to learn. She leaves Saltus to further her professional growth in another teaching capacity at Somersfield Academy.

THE ROGUE TRADERS

This year's Saltus Goldfingers had the hard task to trying to beat last year's second place, which came with a $6000 dollar prize. The main members of the team were Liam Peniston, Nicholas Pell and Daniel Oatley. Their high risk strategy focused on oil and gas shares. Unfortunately while their investment decisions were sound the companies failed to find oil and their share price dropped.

Saltus Island

The Saltus Island Project is a conservation and environmental education initiative, developed in partnership between The Bermuda National Trust and Saltus Grammar School. Students from Year 9 continue to clear invasive and introduced species and plant both endemic and native trees.

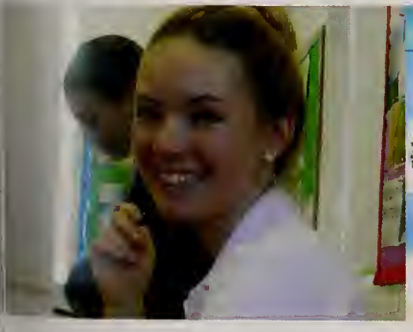
Founders Day



The Parent Ambassador Programme

Parent Ambassadors are active supporters of the school who create healthy communication links between the school and local community.

Ambassadors help to create a sense of welcome by providing tours at Open Houses and by being Mentors to new families.

Many thanks to our 2012 – 2013 Parent Ambassadors:

Susan Aldrich, Jodi Benloulou, Dani Brennan, Debbie Buryj, Kelly Calveley, Kris Cash, Belinda Castree Mark Cave, Latasha Celestine, Tanya Copeland, Tracy Czarnecki, Olivia deFrias , Caroline Komposch, David Cox, Lesley Cox, Dr. Laura Dowling, Cathy Duffy, Nick Duffy, Sandy Furr, Louise Gibbons, Paula Goodchild, Lauren Halgan, Sharon Hammond, Christina Hartwig, Jane Hope, Ken Joaquin, Sharon Joaquin, Rose Jones, Eddie Kim, Hazel Kim, Janey Kim-Cave, Eric Kittleson, Karen Norville, George Leite, Gail Maitland,, Alexandra Manders, Victoria Martin, Elizabeth McKee, Christine Mello, Douglas Mello, Kendra Mello, Robin Miller, Janice Mullen, Deborah Narraway, Deborah Norman, Karen O'Connor, Addy Osset, Tracy Packwood, Sue Pell, Maja Penruddocke, Paula Pereira, Shelley Ray, Corrina Rego, Jonathan Rego, Britt Reiss, Heidi Ringsted, Nicola Robertson, Kathy Rossiter, Helen Rynne, Susan Simmons, JP Skinner, Douglas Soares, Tara Soares, Liz Southern, Amanda Stahl, Steven Stefaniuk, Kristie Stefaniuk, Cindy Swan, Jen Titterton, Shannon Townsend, Cecilia Wotton, Ardleigh Young, Caspar Young, Cherie-Lyn Zanol.

FAREWELL STAFF!

My most memorable moment:

Mr. Morton -

My first Saltus Sports Day (2011) is probably my most memorable Saltus day ever - it was exhausting and exhilarating in equal measure! Butterfield house had not won Sports Day for two decades, and had finished in last place the year before: nobody gave us a chance of winning. We had a successful day in the field events earlier in the week and there was a real sense that 'this might be our year!' in the Butterfield camp. My voice was gone by lunch time, after leading screams of 'BUTAAR!' in support of our athletes coming down the finishing stretch, and the points totals were incredibly close. We genuinely had no idea who had won and after it was announced that we had scraped a victory by 6 points I couldn't help but sink to my knees. In the celebrations that followed, I was so excited that I think I even kissed my house captains! I will forever remember the commitment and determination of Butterfield House during that week and it really set the tone for the wonderful house spirit that they showed over the next two years.

Mrs. Morton -

Duke of Edinburgh 510 Expedition 2013 (during a near tropical storm!)
510 students teaching me how to make the unbelievable camp fire treat "S'mores" - and being quite rubbish at making them. Then, sitting round a camp fire on Darrel's Island in the pouring rain with Mr. Martin, Mr. Mahon and Miss. Southgate.

Mrs. Keeley -

I suppose the most memorable moment would be meeting and marrying Mr Briggs at Saltus! Also I was really proud of the students when I was Saltus House captain especially when we won Sports day and the Competition for the year. I will really miss the students, I really love teaching Chemistry at Saltus, especially seeing the students becoming engaged in the subject and wanting to continue with it beyond Saltus makes me proud that I have inspired them.

I have had some lovely memorable moments at Saltus and have been lucky to see so many enjoy rock climbing club and the Saltus to Saltus run, both of which I was involved in organising. A wonderful memory though is of Gabriel Jones overcoming his fear of climbing to the top of the wall, he was so scared but persisted, and when he made it he was so excited and very pleased! This was great to witness.

Mr Briggs -

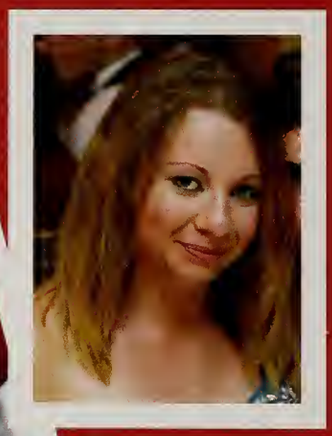
I have spent one quarter of my life at Saltus and find it is now whole having met my wife here at the school. Most memorable moment would be Darrell winning the sports day trophy. A close second would be seeing students using umbrellas to keep dry on the top corridor after Fabian. Worst moments include any sporting event with Butterfield winning.

Mrs. Pedro -

It's a tie: heading to South Africa with the public speaking team and getting to pet a cheetah (being laughed at by Ciara Burrows and Mahir Wagh for my enthusiasm), and taking part in St. Baldrick's for the first time in March of 2011 and discovering that thankfully I don't look too bad bald.

Mr Miles -

Many memorable moments to choose from but for comedic value it would have to be Founder's Day 2012. I began my journey to work at the usual 6.50am at which point it was drizzling with rain. By the time I reached Flatts village I realized that I was getting quite wet so stopped to put waterproofs on, as I did so it really started to pour and as my feet were getting soaked I thought it would be a good idea to put my shoes and socks in the back of the bike and continue bare foot for the rest of the journey. By the time I reached school (after being rerouted several times due to flooded roads) I looked like I had just jumped out of a swimming pool. There was a great deal of set up required to be ready for Founder's Day (which was relocated to the gym) this was all done in rather damp conditions as the Gosling building also got flooded that day...but at least I had dry feet!!!



From the Adviser's Desk....

Another successful year has been recorded in this annual book! We hope you will look upon these pages with fondness and remember the times that we have chronicled. It is only with such hard work of the Yearbook staff that this production has been possible. To my Student Senior Editors Leandra and Kenned... well done! I know you thought it would never be finished! Thanks also to Mike and Nick for all the photo ops you were able to accomplish. And to my new recruits, Thomas, Amar, Lorna and Shanna, I hope you have enjoyed the little taste of our chaos and will come back for much more!

As always, my sincere thanks to Peter Le Page, for his hard work with the Upper Primary pages 20 years and never a complaint! Of course many of the photos you see across ALL Departments would not be possible to be documented here without Cynthia Barnes - she is always my life preserver!

To all of you, the students, my gratitude to you for making this journey 2012-2013 so enjoyable to record. May you look at these pages with nostalgia one day for the times you were most happy - at Saltus!

Fiona Murdoch
Yearbook Adviser
